

EarthLink

**One Connection. No Wires.
Lots of Happy Users.**

*EarthLink® Home Networking—share your
high-speed connection with the entire household!*

With EarthLink Wireless Home Networking, you'll spend your time **online**, not **in** line to use the Internet. That's because home networking lets you share one high-speed connection with up to four computers. So you can do your online banking while the kids research their school projects—without having to wait your turn!

- ▶ **Share your high-speed connection** with the whole family!
- ▶ **Enjoy the freedom of wireless home networking**—move from room to room with your laptop!
- ▶ **Work more efficiently** by linking printers and scanners!
- ▶ **Surf with confidence**—built-in firewall protects your personal information!
- ▶ **Enjoy peace of mind** with award-winning support for your entire network!

**FREE EQUIPMENT—
up to a \$139.90 value!**
Receive a full rebate on a router and a wireless laptop card or USB adapter!*

AUGUST PROMOTION
Free Linksys Router and
Free Wireless Laptop Card or
Wireless USB Adapter!

EarthLink *revolves around you*

* EarthLink Home Networking includes a full rebate on the Linksys wireless router (\$79.95 value). And if you qualify, you can also receive a full rebate on either a Linksys wireless card or a Linksys wireless adapter (\$59.95 retail value). If your computer is already wireless capable-or if the configuration process determines that a wireless peripheral is not the appropriate home networking solution for you-you are not eligible to receive a rebate on a wireless card or wireless adapter. Please allow 6 to 8 weeks after EarthLink has received your completed rebate form to receive your rebate check.
