CUTS EVERYTHING BUT CORNERS

Flex-cuff cutters, ground-in screwdriver, combat-ready blade—the L.E.O. was designed with the needs of law enforcement and military professionals in mind. But its compact size, smooth action, and rugged titanium frame make it perfect for everyday carry by tactical pros and civilians alike. Anyone who appreciates a bad-a#@ piece of steel. Hand made in the U.S.A. of the finest materials. Guaranteed for life. An edged weapon that lives up to legendary SureFire quality and, most importantly, your expectations.
