THERE ARE LOTS OF REASONS TO JOIN STARTREK.NET:

1 EARTHLINK'S AWARD-WINNING INTERNET ACCESS It's fast, easy, and unlimited. Go where you want, when you want. Without getting pushed into designated content areas, or harassed by countless pop-up ads. So you can explore the real Internet the way you want to. No boundaries. No limitations.

2 THE UNIVERSE'S ONLY STAR TREK-THEMED INTERNET SERVICE There are plenty of Internet service providers out there, but only one good enough to be the Official STAR TREK Internet Access. Because Startrek.net isn't just a way to get on the Internet. It's the only way to combine your love of STAR TREK with your online activities. So you get an authentic STAR TREK experience every time you log on to the real Internet.

3 TOLL-FREE 24/7 TECHNICAL SUPPORT You may never need them, but EarthLink's friendly, knowledgeable Net experts are standing by if you do. And they're the best in the business. Whether you call, email, chat, or check out one of our online tutorials from your *Personal Support Center*, we're there to help you get up and running.

4 EXCLUSIVE STAR TREK CONTENT Behind-the-scenes sneak peeks, documentaries from the STAR TREK universe, in-depth interviews with series' cast and crew, news articles, photos, videos, and more!

5 RELIABLE EMAIL WITH SPAMINATOR™ ANTI-SPAM SERVICE EarthLink knows email. We know how important it is to you. How you expect us to make it super-reliable and keep it up and running. And how much you hate it when your mailboxes are filled with junk mail. That's why every Startrek.net subscriber enjoys our state-of-the-art email system with Spaminator™—our junk mail-hungry anti-spam service.

6 STARTREK.NET EMAIL ADDRESS AND 8 ADDITIONAL MAILBOXES Only with Startrek.net can you choose an official "startrek.net" email address. Plus you get eight additional "@earthlink.net" mailboxes for you and your family. So you can decide when to use your "vanity" address to express yourself as a STAR TREK fan!

7 STAR TREK-THEMED START PAGE® AND ACCESS SOFTWARE Every time you log on you're greeted by your own customizable STAR TREK-themed *Personal Start Page*™—laid out with STAR TREK colors, images, graphics, and icons. Loaded with news, sports, weather, exclusive STAR TREK content, and more, it's your gateway to the real Internet. And when you're ready to begin exploring, our exclusive STAR TREK browser featuring authentic graphics, icons, and sounds, is there to take you wherever you want to go.

8 AUTHENTIC STAR TREK IMAGES, GRAPHICS, AND MORE From the moment you log on, 'til you're ready to sign off, you're surrounded by exciting STAR TREK imagery, graphics, colors, and sounds. You can even create your own STAR TREK-themed Web site. It's a snap with your free 10MB of webspace and complementary *Click-n-Build* Web page builder loaded with unique STAR TREK imagery and layouts.

9 ADDITIONAL BENEFITS AT NO ADDITIONAL COSTS! You'll also get FREE All-in-One Software, Instant Messaging, Moving Services, a FREE subscription to *eLink Magazine*, *eLink*, our weekly email newsletter, our Referral Program—and, of course, plenty of new STAR TREK features and surprises every month. So don't wait!
